

## Warmer Quiz: B2-C1

1. Write numbers 1-20 on a piece of paper.
2. Click on this link: <https://soundcloud.com/user-787354375/warmerquizb2c1>
3. Listen to the statements and mark them T (true) or F (false).
4. Check your answers with the list of the questions below.
  - 1) Tomato plants should be planted in the middle of winter.
  - 2) It is generally accepted that the earth isn't round.
  - 3) It is pretty unlikely that Mars will be colonized in the next ten years.
  - 4) Thousands of workers would be laid off if the financial markets crashed.
  - 5) The sun is a whole lot further away from the earth than the moon.
  - 6) The Titanic wouldn't have sunk if the ship hadn't hit an iceberg.
  - 7) A significant drop in the earth's pollution levels is bringing about serious global warming.
  - 8) Before cars were mass-marketed, horses had been the main means of transport.
  - 9) If you're going scuba-diving, your equipment doesn't have to be checked beforehand
  - 10) A month is just a little bit shorter than 4 weeks.
  - 11) It makes sense to try and come up against a solution if you come up with a problem
  - 12) Water melts at approximately 100° below its boiling point
  - 13) You might get behind schedule on a project and not meet the deadline, if an equipment problem sets you back.
  - 14) If you get cut off while you're on the phone and the line goes dead – the best thing to do is to hang up and try again.
  - 15) Being responsible for the human resources department means being in charge of company accounts.
  - 16) Under no circumstance should fire drills be held at a company or fire extinguishers be checked.
  - 17) Exceeding the statutory speed limit, or running a red light whilst driving, can lead to a fine.
  - 18) Normally, before assembly, products are checked for defects, packed, wrapped and then loaded onto a truck for delivery.
  - 19) It is not advisable to exceed your overdraft limit as you will also incur a heavy charge on your bank account.
  - 20) Public transport is emptiest during rush hours when commuters are travelling to-and-from their homes.

**(10 true/10 false)**
